Product Discontinuation: RadEye 1, 2, 3, 4, 8, 100 (EV)	+1 408 736 6000	2018-04-04

Dear Customer,

This letter is to confirm to your company that Teledyne Rad-icon Imaging Corp. (Rad-icon) is discontinuing the manufacture of the RadEye 1 (EV), 2 (EV), 3 (EV), 4 (EV), 8 (EV), 100 (EV) sensors and modules (all models). In accordance with our product discontinuation policy, we are hereby giving notice of this Product Discontinuation in order for your company to place a final life-time purchase order.

We request you to notify your purchasing department offices and buyers to place your company's final purchase order, for reasonable quantities, of the before mentioned sensors and modules as soon as possible but ultimately by June 30th, 2018.

If the requested quantities are within our manufacturing capabilities, we will acknowledge your company's final order as "Final and Firm" in writing for delivery within twelve months after the final purchase order date. As such your company's order will not be subject to any rescheduling, cancellation or termination without Rad-icon's prior written authorization.

We appreciate your understanding and assistance in helping us to help you minimize the impact of this product discontinuation on your company.

If you have any questions please do not hesitate to contact your key account manager.

Best regards,

Thorsten Achterkirchen
Vice President & General Manager
Teledyne Rad-icon Imaging Corp.
